

ROXANNE SAVOIE

OUTSTANDING SERVICE AWARD 2014

Roxanne Savoie was awarded the Outstanding Service Award for the Northeast Fire Compact in January of 2015. Roxanne has represented Massachusetts on the prevention team for years and she has always helped the other teams with things such as, recruiting vendors for our compact events, helping at the check in table, and as one person stated “she just gets stuff done”. She has been instrumental in organizing a training venue for Social Media and its use in Fire Prevention and Fire related Emergencies. She has always been an advocate for the Smokey Program and represented the team at the Balloon festival in Hillsborough NH. Her dedication, upbeat personality and anything is possible attitude has been a ray of sunshine both to the compact and the Prevention Education Working Team. Congratulations Roxanne!
